

Report on the 2021 Bursary scheme

Purpose of the Bursary

To assist talented music students to purchase suitable instruments, printed music or to fund music tuition, including voice.

This year we have awarded five bursaries, totalling £2,500, to students ranging between 9 and 18 years old, at grade 2 to grade 8 levels. Three awards were for tuition, one for instrument purchase and one towards both tuition and instrument purchase.

Friends of the Amersham Festival Society

The Friends of the Festival have always played an enormous part in the Festival's success. They are enthusiastic and faithful in their support - never more so than in the pandemic. Many Friends sent donations and good wishes and it was heartening to receive these. The committee would like to express their sincere thanks.

The Friends are the core of our audience and their support is vital for the continuation of the orchestral concerts. We are grateful to those who have sent sponsorship for orchestral players.

I know many appreciate the chance to have priority booking. We would like to expand the Friends' membership, so please encourage others to join.

Once again we will look forward to meeting and chatting at the Friends' Reception. This is a good time to give feedback on concerts to the committee and we welcome this.
